

**Village of Westville**  
**Insurance Committee Meeting**  
**October 19, 2022**  
**7:00pm**

Mayor Weese called the meeting to order at 7:00pm with a committee roll call. Present were Committee Chairman McFadden and Committee Members Gallion and Hughes. Also present was Village Trustees Sandlin, Delhaye and Ellis, as well as Mayor Weese, Village Deputy Clerk Rhoden and Insurance Representative Travis Mains.

Chairman McFadden opened the floor to Travis Mains. Mr. Mains said if we keep all of our numbers the same, our current plan will go up 7.5% next year, from \$8470 to \$9111. We have allotted a 10% increase in our insurance budget for next year.

With a retirement in the next year, it is possible our amount will not change. When asked about other plans, Mr. Mains said the information he has so far, would increase the employee's cost for coverage in the form of co-pays and deductibles. Mr. Mains recommended the mayor sign an "Early Renewal" intent to lock in the rate increase for the present plan for next year. He informed us that we may still change our plan if we want.

He will have more figures for us next month on the other plans.

Mayor Weese signed the Early Renewal intent.

Entertained a motion to adjourn at 6:40 p.m. Motion by Gallion, second by Hughes. Motion carried.
