### Chief's Report

Submitted list of properties for demolition to Central Illinois Land Bank to begin the process for up to four properties depending on available funds.

Attended Vermilion County Chiefs of Police meeting to discuss problems and strategies for combating the problems. Also discussed inter-agency training. Will be working together with other agencies including VCSD and DPD to maintain required training. DPD is currently constructing a training facility through a grant from State of Illinois. This facility will be available for all agencies to use. Will be sending officers to several instructor trainings to be able to assist in the training as well. This should save on travel expenses once implemented. The training facility will have classroom's as well as rooms with padded floors and walls for tactical training, and Virtual Reality simulators.

All officers will be attending Active Shooter training over the next week. Training is being conducted at multiple schools around the county and is being conducted by VCSD.

Officer Cottrell and SRO Capt. Wahlfeldt conducted an assembly with 8th grade students at Westville Jr. High School about safety, and careers in Law Enforcement. We received several dozen thank you cards for their efforts and hope to continue this program in the future.

Still working on updating policies and procedures.
